Dear Members,

What a year. We saw a new President sworn into the Oval Office, cried as Houston survived one of the worst storms in its history, and cheered as the Astros won the World Series for the first time ever. We have had shocking news abroad and at home, and the headlines have taken us on a rollercoaster of emotions that change weekly and sometimes daily.

Here at home we have had our ups and downs as well, though thankfully not at the frequency of the world at large. We have seen favorite stores and restaurants close, and have welcomed the ground breaking of our new HEB, and other new ventures. We have been plagued by an organized gang of thieves, and cheered as those same thieves were finally caught by our local law enforcement. We rose to the challenge of Hurricane Harvey, and came through the storm as strong as ever.

And our Chamber has gone through the same. We opened the calendar year with a fantastic Economic Forecast Luncheon (2018’s seats are on sale now! See inside!) and then struggled as our largest fundraiser, the Annual Crawfish Festival, was shut down by bad weather. In spite of that we determinedly carried on, and awarded more scholarships at our Education Luncheon than ever before. Lack of interest had us retire our Gateway to Local Government Luncheon, but the membership rallied for a fantastically attended and wildly successful Chairman’s Event. We closed out the fiscal year in September with the highest number of members in the past dozen years, and event attendance is up across the board.

Out of all those things, perhaps the most momentous event for the staff and I was the recent moving of the Chamber office. Moving is always disruptive and annoying, but was also necessary. Our new office is wonderful, and will be a strong place to lead the Chamber from over the next years, but I will admit – annoyance of moving aside - leaving our old home was bittersweet.

As most members already know, the Chase Bank building where the Chamber has maintained offices for the past 30 years has been sold. It became imperative for the Chamber staff to find new quarters and after an exhaustive search a new site was found. The Chamber’s new offices are located in The Preserve which is located right off 610 and East T.C. Jester Boulevard. The new number will not change. The new facility can be easily reached via East T.C. Jester Boulevard, address will be 2050 North Loop West, Suite 203, Houston, Texas, 77018, and the telephone number will not change. There are ample parking spaces with only a short walk to the building. Following a complete move in, and getting organized, an invitation will be given for a December 7 reception where members can see the new offices.

So as I gather my family and my friends to celebrate this holiday season, I will take a moment to raise a glass to Chamber history, and what the future holds for our dear organization. I hope you will do the same.

Cheers.

Jacob Millwee
Your Chamber President.
What a Year as we Review the Chamber’s Events and Activities of 2017

Our annual November/December issue allows us to look back on the fiscal year 2017 and reminisce about the many tangible ways the Chamber helped its members grow their businesses, get referrals, build friendships, and find trusted fellow members for products and services. This was a year filled with activities as the Chamber worked to meet its mission: “To promote and develop business and industry beneficial to the economic viability of the greater Heights area.”

As of press time, from December/January Through November, 2017 we were pleased to welcome these new members:

Hyp and Noontime Networking continued to grow in popularity
The Heights Young Professionals (HYP) organization drew great attendance for the monthly events held at: Texas A&M Title, Eureka Heights, Elan Heights, Heights Bier Garten, Field & Tides, Budweiser Brewery, Revolver, Eight Row Flipt, Federal Grill and The Edison.

Noontime Networking was established to meet the networking needs of members and prospects that find the early Breakfast Connection hard to make. Featured speakers and a member chosen at random get to profile their company. Held bi-monthly, the event proves productive in building business relationships.

The 2017 Education Luncheon attracted a huge crowd and the program recognized graduates going into the military, scholarships presented to deserving students, and honored outstanding educators.

Economic Forecast Luncheon on the Horizon

The annual Economic Forecast Luncheon is set for January 25th at the Sheraton Houston Brookhollow Hotel, 3000 North Loop West. Making the key luncheon presentation will be Dr. Robert W. (Bill) Gilmer. Registration opens at 11:00, and the event time is 11:30.

According to Dr. Gilmer, “The momentum of the boom years is gone, and the ship channel’s petrochemical boom is ending. Can we bring back oil jobs in 2018? The U.S. economy is left as the one thin reed supporting the local economy. Where have all the high-paying jobs gone? What now for Houston’s population and job growth?” How about construction, housing and real estate? Dr. Gilmer’s presentation will address those issues and give you his forecast.

Dr. Gilmer is Director of the Institute for Regional Forecasting at the University of Houston’s Bauer College of Business. The Institute monitors the Gulf Coast business cycle, including the influence of the national economy, energy and global expansion on Houston area growth. Prior to joining the Institute, Gilmer served the Federal Reserve Bank of Dallas for 23 years, retiring from the bank as a Senior Economist and Vice President. Gilmer’s work on the Texas economy has been recognized by such publications as the Wall Street Journal, The Economist, and Forbes.

Don’t look now, but as the calendar prepares to turn over, the preparations for the annual Chamber Crawfish Festival and Parade are underway. Last year’s event, while besieged by rain, still attracted hungry crawfish eaters and sales opportunities for the vendors displaying their wares. Food, fun, music, vendor tables and a children’s area will be on site at the parking lot located at 427 West 20th Street. Admission is free and there will be crawfish in abundance along with hot dogs, pizza, some adult beverages, water and soft drinks. Numerous entertainment will perform on stage during the day and music contributes to a good time. Vendors of all types will be displaying their wares and you may even find that “rare” treasure of a gift, or, for your own enjoyment. Past Crawfish festivals have been attended by over 7,000 people who enjoyed the day’s event. Kicking off the event at 10:30 is a parade down 20th and 19th street filled with cars, drill squads, marching bands, celebrities and goodness knows what else. “Mud bug” eaters look forward to this fun-filled day and there are many activities to entertain adults and children. The Crawfish Festival begins at 11:00 a.m. and runs until around 6:00 p.m.

Sponsorships for this event are available and taking one of these can promote your business, highlight a special, or enhance your recognition among fellow Chamber members and attendees. We have expanded benefits within our various sponsorship levels. For sponsorship information, to volunteer or reserve a display space contact Jill Johnston at the Chamber at events@heightschamber.org.
